- Thatch roofing which clearly shows the construction, condition, pitch and interior thereof and any chimneys and braai areas.
- The LPG installation.
- Any maintenance related condition in respect of the property.
- Any other photos of the risk which are deemed necessary to adequately portray the risk.

Disclosure and Declaration

Disclosure: You are reminded of your obligation to disclose all material facts that are likely to affect the acceptance or assessment of this insurance. If you are in any doubt as to what constitutes a material fact, please consult us immediately. Failure to disclose or misrepresentation of relevant facts, may invalidate your insurance or result in it not operating fully.

Declaration: I declare that the information supplied in this questionnaire is, to the best of my knowledge and belief, correct and complete and that I have read the note headed "Disclosure". I agree to obtain a geo-technical survey at my own cost, should the company require one. I understand that subsidence and landslip cover will not be effective until Insurers have accepted both the proposal form and this questionnaire. I agree that the completed proposal form and questionnaire will be the basis of the contract between Insurers and myself.

Credit Rating Check

May we at any time perform a credit rating check to assist with rating, underwriting and claims:
