Are there any other material facts in respect of the risk proposed which will influence the assessment thereof and should be disclosed:	YES		NO	
*If yes please elaborate in the space provided below:				

Important

In the event of a claim the insured is to immediately call Helen King on 031 309 9180 or after hours on 083 661 7077 for assistance, who in return will immediately advise insurers thereof and the insurers will then appoint an Insurer approved spillage Clean-up specialist. Failing to do so may result in an additional deductible payable of 10% of the claim payable. Should you have a preferred service provider, kindly provide Helen King with their details to ascertain whether they are on the insurer's panel. If the client's preferred service provider is not on the panel then they may apply to insurers to be placed on the panel, should they meet the necessary criteria.

Declaration

- I hereby declare that all statements made herein are true and correct and that there are no other material facts regarding the risk that should be disclosed.
- I further agree that if any statement or particulars herein supplied by any person other than myself, that the person shall be deemed to have been acting as my agent for the purpose of this proposal.
- I am also not aware of any claims against me other than those mentioned above.
- Any untrue or incorrect statements in this proposal will result in
- The policy being null and void from inception
- The forfeiture of the premium and return of all sums of money paid by the Insurer.
